Dear Colleagues and Friends,

I am happy to announce that in 2019, the 9th TVRS is coming back to Thessaloniki to a new site in JUNE 24 - 28.

This year there will be more Wet Lab Lectures, followed by Wet Lab Practical Application and also The Advanced Vitreoretinal 3D Ngenuity Course. We will use only special BIONIKO Artificial Eyes, use of the latest floor Microscopes and Wide Angle Observation Systems and the latest evolution BIONIKO Artificial eyes Only, In Lens reposition, cataract complications and FB removal.

Since our web site is under construction, the faculty and the YOUNG TVRS New Organizing committee will be announced shortly.

For Preregistration in order to secure your post please sent an e-mail to:  
[anikolako@yahoo.gr](mailto:anikolako@yahoo.gr)

Yours,  
Athanasios Nikolakopoulos
